

TESTIMONIALS 2020

Just wanted to get in touch to say thank you for your organisation of our XR Technologies incursion during Cinefest. Please pass on our thanks to Mike also, his content knowledge and passion for the subject were clear to see. It was great to learn more about the emerging trends in this area, and to expose the students to what's available. They will have taken a lot out of the workshop, and hopefully we have inspired a few to get involved in this area down the track! I hope the rest of the festival went well for you.

I had an absolute ball at Cinefest and it really was my pleasure to have been involved in Cinesnaps, being able to go and speak to the kids. I really loved being involved on that level

Emma Jackson - Festival film guest, Short Film Director

I really enjoyed the session at Busselton SHS, the kids were great and asked some really informed questions. I was impressed with them. Thanks for having me.

Antony Webb - Festival film guest, Film Director (and winner of the CinefestOZ Short Film Award 2020)

THANK YOU for last night. English teachers from the South West region thoroughly enjoyed the presentations and discussions by Jub, Dot and Sarahjane. It was a very emotional and educational night. English teachers came away with ideas for adjusting their curriculum to engage students and incorporate more indigenous texts into their programmes. One English teacher wrote to me:

"Thank you so much for organising CineFest Oz with Dot and Jub speaking. It was so wonderful to have PD that was about Indigenous perspectives and resources for teaching those perspectives. Kesly, Nichole and I thoroughly enjoyed the evening and we now have heaps of ideas on how to integrate Indigenous texts/focuses into our course outlines! Dot and Jub were fantastic speakers! Please pass on our thanks! Thank you for a fantastic PD."

Thanks so much. The students really enjoyed the films and it was great they were able to ask the actor questions after. Look forward to it every year, hopefully the circumstances will be different next year for the workshops.

Media Teacher, Australind school

Kelton spoke for about 10 minutes and then answered questions for 15mins – really lovely to have him and he was incredibly engaging for the children.
