Cinesnaps Schools Program

Welcome to the IndigifestOZ and Cinesnaps Schools Program for CinefestOZ Albany 2021 Film Festival. This program, an exciting and inspiring experience for regional young people, has been especially created for you and your students to enjoy and learn from. Focussed on Australian film and meaningful connection between industry and community, the festival celebrates all film formats including features, documentaries, animations, short-form and new film technologies such as VR. Our stories reflect our culture and film is a rapidly progressive storytelling medium; a visual text allowing us a snapshot of our diversity as humans, our beliefs and our curiosities.

Cinesnaps is an Australian film Schools Program curated by the not for profit CinefestOZ Film Festival (Geographe French Australian Festivals Inc)

We would like to Acknowledge the Traditional Custodians of this land we live and work on and pay our respect to the Elders, past, present and future.
