CinifestOZ Schools Program

Cinesnaps is a diverse program for schools presented by CinifestOZ to discover, create and celebrate Australian film. As a medium and a way to connect, film has never been more in demand and CinifestOZ is excited that social media entertainment is offering another outlet for young filmmakers.

Are you a YouTuber, Vlogger or Tik Toker? Do you have a phone, device or camera? Are you a high school-aged student who is creative and wants to have fun with film?

CinifestOZ is calling for all South West, Great Southern, Broome and Geraldton young creatives to enter the Cinesnaps Short Film Competition.

We want to inspire young filmmakers to tell stories and hone their filmmaking, either as a school project, or as individuals.

So get on board!
