2025 THEME

The 2025 Cinesnaps theme is 'Rip'
As in: an ocean rip, or to rip something in half.

The 2025 Cinesnaps theme is 'Rip' as in an ocean rip, or to rip something in half. (We don't mean RIP, as in Rest In Peace ;) Your interpretation can be drawn from a range of genres (comedy, action, romance, sci-fi) and styles (fictional, documentary or animation) – the choice is yours.

The key is to make your connection to the theme strong and well-integrated into your narrative. Let your imagination run wild! Individual, creative storytelling surrounding this theme will really set you apart in the crowd. Also don't be afraid to write a comedy! Whatever storyline you choose to develop, make sure your short film stands out with innovative use of narrative, application of technology, unique cinematography and creative editing skills.
